What is an Art Installation?

“Forest of Numbers” by Emmanuelle Moureaux

- **It is big art.**
- **You can walk around and through it.**
- **It has a message.**
- **It makes people think and feel, even sometimes participate.**

“Museum of the Moon” by Luke Jerram

How to create an Art Installation:

“Infinity Mirrored Room – The Souls of Millions of Light Years Away” by Yayoi Kusama

1. Choose an idea

Think: What do I want to say?

Example artwork: Millions of people's souls are all connected!

“Flower Obsession” by Yayoi Kusama

2. Pick your materials

Simple, cheap, even broken things!

Example artwork: Remain a child, fill your life with happy thoughts

“Support” by Lorenzo Quinn

3. Plan the space

Decide where your installation will stand: floor, wall, corner, or outside.
Example artwork: Protest against sea levels rising. Venice is sinking

“Inside Out Project” by various artists

4. Build it together

**Put the pieces together. Make it big, 3D, and walk-around.
Example artwork: “Society” is actually you and me**
